

January 19, 2021

Dear St. Patrick's School Families,

Here is your Admission packet for next year. Inside you will find the necessary paperwork required to be considered for admission. I have included a checklist that needs to be completed, signed, and returned with your packet. Some important notes:

1. If you are in need of financial aid, please complete the FACTS aid application at <https://online.factsmgt.com/signin/3M8P0> by **Feb 15th** (This aid is for students in K-6 only). If you COMPLETE the aid application in full by 2/15, you will be reimbursed for the FACTS application fee.
2. Admission packets should be completed and returned to the school office along with the appropriate registration fee (\$50 for first child, \$35 for each additional child) **by Feb. 15th**.
3. If your application is approved, you will receive an acceptance letter for the 2021-2022 school year.

Please contact me with any questions you may have. Thank you for being a part of our school family this year and for entrusting your children to us. We look forward to providing a well-balanced education to your child(ren) next year!

Peace and Blessings,

Mrs. K. Healt, Principal

DUE BY 2/15/21!
