

2024 - 2025
SCHOOL CALENDAR

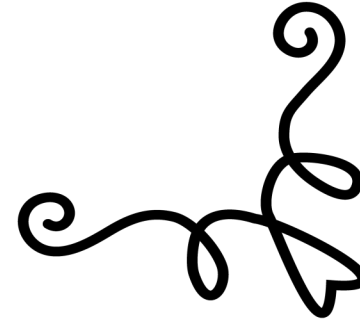

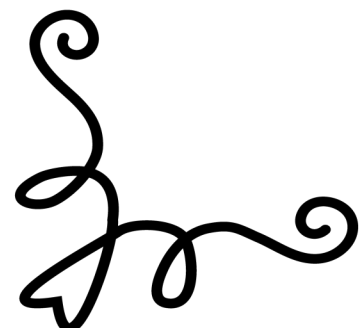

Our Mission Statement

“FAITH, ACADEMIC EXCELLENCE, SERVICE TO OTHERS”

St. Patrick’s School, Oneida, NY is a Catholic Christian elementary school that is committed to faith development, academic excellence, and service to others.

We encourage our students to live out the teachings of Jesus, gain knowledge to prepare them for the future, and to carry the lessons they learn here throughout their lives and into the greater community.

Welcome to St. Patrick's School!

The 2024-2025 school year will begin for students on **Wednesday, September 4, 2024** which is Orientation Day. Come with your child at either 9, 10, or 11am. The first day of classes is 9/5/24.

Instructional Day is 8:50 am-2:55 pm

Drop Off is between 8:30-8:50 am

**Students must be signed in by a parent/guardian if they arrive after 8:50 am. We begin at 8:50 with prayers so students need to be in their classrooms and settled by then. If your child is not here by 10am, you will receive a text message from the school.*

Before School Care is available from 7:00-8:30 am

After School Care is available from 2:55-5:30 pm

Half Day Care is from 12 noon-5:30 pm on specific days

New Student Registration

New students should be registered as soon as possible at our website: www.stpatrickstoneida.org. For more information, or to make an appt. for a tour please call 315-363-3620 or email khealt@syrdiocese.org

Kindergarten Registration

Children are eligible to enroll in Kindergarten if their fifth birthday falls on or before December 1st. A birth certificate, proof of immunization and residency are required. Registration and screening for children entering Kindergarten will be held the prior spring.

Please Note:

This calendar was prepared during August 2024. Therefore, dates of some activities may change as needed during the year. You may wish to call the school office to verify dates, times, and locations.

ATTEND TODAY, ACHIEVE TOMORROW

GOOD SCHOOL ATTENDANCE MEANS...

ELEMENTARY STUDENTS
read well by the end of third grade

MIDDLE SCHOOLERS
pass important courses

HIGH SCHOOLERS
stay on track for graduation

COLLEGE STUDENTS
earn their degrees

WORKERS
succeed in their jobs

Too many absences—excused or unexcused—can keep students from succeeding in school and in life. How many are too many? 10% of the school year—that's 18 missed days or 2 days a month—can knock students off track.

Chronic absenteeism is widely defined as missing 10 percent or more of school days in a school year for any reason, including excused and unexcused absences. This can translate into missing **15 or more** days per year or 3 days per month.

Students who are chronically absent in preschool, kindergarten, and first grade are much less likely to read at grade level by third grade—which would make them **4 times** more likely to drop out of high school than proficient readers.

It starts early. More than **10 percent** of kindergartners and first graders are chronically absent.

A student who is chronically absent any year between grades 8 and 12 is more than **7 times** more likely to drop out.

On average, a college graduate is likely to live about **9 years** longer than someone who has not completed high school.

ATTENDANCE

ABSENCE or TARDY

We request that parents call the school before 8:30 am and leave a message on the answering machine the morning your child is absent to inform us of his/her illness. The school telephone number is 315-363-3620. **When a child returns to school after having been absent, he/she must bring a dated note from a parent explaining the reason for his/her absence or tardiness. NYS Law requires this note and without it a child is marked illegally absent in the State Attendance Register.** The school **requires** a physician's excuse when the absence is more than 3 or more days. Excessive absences will be reported AND discussed by the school's promotion/retention team to determine readiness for the next grade level.

If your child will be tardy, you must call the school **before 9 am** to order his/her lunch as we are unable to order extra lunches from the city school district and our orders must be in by 9:15 or they may not be guaranteed a lunch..

According to NYS regulations and the school's Attendance Policy, we will inform parents when your child has accrued a total of ten (and subsequently sixteen and twenty-six) absences, both excused and unexcused.

ABSENCES DUE TO VACATION PLANS

When children are absent outside of the regular school vacation time, the student will **NOT** be given work to be done while he/she is away. The reasons for this are:

1. Often the work and/or books get lost,
2. Attempting assignments outside of a formal teaching situation can cause misconceptions in learning.

When the children return, the missing work, assignments, work pages, etc. will be made up as homework assignments after appropriate instruction is given. This policy was formulated with the students' best interests at heart. Keep a weather log, or any activity that will reflect the curriculum.

BOARD OF TRUSTEES

The Board of Trustees is comprised of six members. Board members serve without pay for staggered three-year terms.

The Board of Trustees is responsible for establishing policies which govern the education of all children attending St. Patrick's School; helping prepare the annual budget; and for ensuring adherence to state law and regulations

Unless otherwise announced, regular meetings of the Board of Trustees are held on the second Wednesday of each month at 7:00 p.m. via Zoom. Parents are encouraged to attend these meetings.

The Board of Trustees meeting schedule and agendas are available on our website, www.stpatricksonida.org

Before and After-School Care

We are excited to offer our families supervised child care from 6:30-8:30 am and 3-5:30 pm on school days!

We have wonderful care supervisors who has been background checked and have attended Safe Environment classes. Students gather in the cafeteria for a short time to work on homework and play quiet games, then the fun continues with either indoor or outdoor play, an art activity, or a game until they are signed out by an authorized adult.

Both students and parents are loving this program! It is both convenient and fun!

You may begin at any time, just contact the school office!

After-school care is offered on half-days as well as full school days (12-5:30). We DO NOT offer care on Snow Days or other days when school is not in session.

Before and [After School Care Program](#)

St. Patrick's School reserves the right to modify these policies, rules and regulations when the school deems it necessary.

Billing Information

Fees are currently \$10 per child per day per session plus an additional \$5 fee for half days.

Parents will be billed monthly through FACTS incidental billing. Payment must be received by the specified due date. **Please do not send any payments prior to receiving a statement.** Cash or checks accepted. (Checks should be made payable to St. Patrick's School.)

Health Services

Health Services

Because healthy children are more successful in school, we provide health services under the guidance of a registered nurse provided to us by Oneida City Schools. Our nurse is on-site M-F from 10:30am-2:30pm. The nurse can be reached by calling the office during those hours.

Special Health Needs

Please notify the school nurse if your child has any special health needs. This confidential information is important to a successful school experience. Examples of such special health needs include bee sting allergy and/or allergy to any other substance; difficulty with vision, hearing, or speech; and the need for medication during the school day.

We need a doctor's statement of food allergies for cafeteria staff and for special equipment such as crutches or walkers, either on a temporary or permanent basis.

Please update your child's medical information as needed during the school year.

Required Health Screenings

During this school year, the following screenings are required or will be completed at school:

- Vision including distance and near acuity for all newly entering students, Pre-K or K, grades 1, 3, 5, 7, 11. Color perception for all newly entering students.
- Hearing screening for all newly entering students, Pre-K or K, grades 1, 3, 5, 7, 11.
- Scoliosis (spinal curvature) all girls in grades 5 and 7, boys in grade 9.

Health and Safety Issues Immunizations

Public Health Law requires that every student be immunized. To this end we have established the following policy:

All students seeking admission to St. Patrick's School must present certification of immunization in accordance with the Public Health Law. **A student may not attend school for more than fourteen days without presenting the appropriate certification.**

Proof of mandated immunizations is required. The school nurse can provide additional information regarding what immunizations are required at each age level or grade.

Parents must provide either a certificate of immunization or proof from a physician that the child is in the process of receiving the required immunizations.

Medication in School

New York State law states that no medication can be administered at school except under doctors' orders. Even then, the medication must be given by the school nurse. This includes not only prescription medicines but over-the-counter remedies such as Tylenol, cough syrup, cough drops.

School nurses are permitted to dispense medications during school hours only when:

1. Written permission is received from parents.
2. Written permission is received from a physician with instructions for administering.
3. A parent/guardian delivers the medicine to the nurse's office in a pharmacy container with the label intact. (Ask your pharmacist for a second, smaller container for school doses.) Over-the-counter medications must be in their original unopened packaging with the student's name written on it.

Contact your school nurse regarding self-carry medication.

Do not allow children to carry medicine to school.

Immunization Requirements for 2024-2025 School Year

New York State Law Section 2164 requires certain immunizations (shots) to enter and attend school. Students entering Pre-K must be up to date per current NYS immunization charts. Additional immunizations are required for entrance into Kindergarten and grades 6, 7, and 12. Please check with your health care provider as soon as possible to make sure your child has all the needed immunizations prior to the first day of school. Please send proof of immunization to the school nurse where your child will be attending. Proof of immunization must be any one of the items listed below:

- An immunization certificate signed by your health care provider
- Immunization Registry report (NYSIIS or CIR from NYC) from your health care provider or your county health department
- A blood test (titer) lab report that proves your child is immune to the diseases
- For varicella (chickenpox), a note from your health care provider (MD, NP, PA) which says your child had the disease is also acceptable.

Transportation

Parents/guardians and children should have a procedure to follow in the event of an emergency early dismissal. Children should know what to do if they come home early and find no one there. Please be sure to make prior arrangements for the care of younger children if no adult will be home during the day. Please send notes to your child's school for alternative drop-off locations. No student will be dropped off without an adult visible at the door or window.

A Note to Pre-K & Kindergarten Parents

As newcomers to school, Pre-K and Kindergarten children need to know the rules of riding the bus. Please take the time to explain school bus safety rules to your child and escort him/her to the school bus so that we can ensure the safety of your child.

School Bus Safety Tips

Waiting for the school bus...

- Always be on time at the bus stop. (Horns are used for emergencies only; a driver will not toot a horn to let students know the bus is there.)
- Wait quietly and in an orderly manner so that the bus driver can see you.
- Wait for the bus 15 feet off the road. Stand back and away from moving traffic.
- Never accept rides with friendly strangers who offer rides to school.

Getting on the bus...

- Wait for the bus to come to a complete stop.
- Never crowd around the door of the bus.
- Go directly to a seat and stay seated.

Riding on the bus...

- Always be courteous to the bus driver and other passengers.
- Remember where the emergency exit is and how to use it.
- Never put your head, arms, or hands out an open window.
- Do not distract the bus driver.
- Do not eat or drink on the bus.

Getting off the school bus...

- Wait in your seat until the bus comes to a complete stop.
- Stay alert to any moving traffic.
- Never cross the road until the bus driver gives you the crossing signal.

In the winter...

- Dress warmly; wear hats, mittens, and boots.
- Do not stand or play on snow banks at the bus stop.

**Never try to retrieve fallen belongings from around or underneath the bus.
Do not run into traffic to retrieve your items.**

Safety is Our First Priority

Because your child's safety is our business, it is essential that students behave appropriately while riding the school bus. Any student whose conduct is unacceptable may be suspended from school transportation. If you have any questions, please do not hesitate to call the principal at 315-363-3620.

Emergency Closings/Early Dismissals

This system is our method of contacting parents with important information such as when school is closed, delayed or when students are dismissed early.

An early dismissal usually means there will be no afterschool care.

A 1-hour delay pushes everything back 1 hour, including before school care.
A 2-hour delay pushes everything back 2 hours, including before school care.
